Registration Process

3. Registrations take place in two steps:

STEP 1: Using your METU username and password, you will log on to the registration program and "add" all the required courses listed on Slide #4.

STEP 2: You need to get your advisor's approval; otherwise, your registration will not become official.

For the approval process, you need to send a message to your advisor via the registration page. S/he will be able to see your registered courses from an advisor screen and if everything is in order, s/he will approve your registration. Otherwise, s/he will send a message to your **METU e-mail** address and ask for corrections/changes. Once you complete these, you will send another message to your advisor via the registration page, and if everything is in order, s/he will approve your registration.
