

## **MINOR PROGRAM IN CORPORATE FINANCE**

Minor in Corporate Finance aims to develop the basic background in financial management for students of other disciplines. The program starts with a series of two core courses (BA 1101 and BA 2203) and continues with a number of accounting and finance courses. Students are expected to have a sound understanding of accounting, finance, and financial decision making at the end of the program.

### **Compulsory courses**

BA 1101 Fundamentals of Business (3-0)3

BA 1103 Business Practice Workshop (0-2)1
