Announcement regarding brown parking sticker drawing

We have received nine applications for the four brown stickers allocated to our department. As announced previously, since the number of applications was larger than the available number of stickers, we randomly drew four names in order to decide who is going to be eligible for the brown stickers. The following students will be allocated brown stickers as a result of the drawing:

Baştimur, Hazal
Gizer, Necati
Güney, Beyza
Tokdemir, Çisel
